ABOUT US

aviation.WORKS is the first platform that covers all sectors in the aviation industry. We organize the recruitment process for any jobs of the aviation industry. As experts in Europe and thus we support companies of all sizes and all aviation industries to realize visions and to shape their future. We offer a highly professional personnel service in an extraordinary quality: Better aviation recruitment from aviation experts including all necessary trainings to fulfill the capabilities of our industry.

MARKETING OPTIONS

Post your job with high impact at aviation-job.com.

Target your future employees locally: regional recruitment campaigns in more than 100 jobboards.

Global campaigns to target specialists – featured posts & social media campaigns in our groups with 500.000 aviation enthusiasts (LinkedIn groups, Facebook groups, Instagram, Google ad's...).

Offline marketing – radio spots wherever you like.

INNOVATIVE RECRUITMENT

We recruit aviation staff worldwide, train your future employees and offer aviation specific language courses in home countries. Document management for background checks included.

Taylorred solutions for your problem from aviation experts.
